## Fusion Of Stability And Aesthetics

Every detail showcases craftsmanship, with 76 degree angled metal feet showcasing the beauty of lines and providing stable support. The combination of metal and wood grain blends stability and aesthetics.

Low Cabinet:  
DG26-S0120 2000W\*400D\*1300H

## Work More Efficiently

Two person workstations, shared without interference. The middle table screen divides the private space, the side cabinets are stored in an orderly manner, and the door locks protect important information. Efficient cooperation begins from then on.

Workstation:  
DG26-D0515 2800W\*1500D\*1120H
